## Principal's Message

Dear Parents,

As TERM 3 comes to a close, I want to take a moment to say THANKS. Thank you for supporting the school, all it's activities and events. Thank you for getting up early and driving through the cold winter weather to make sure your children made it to school on time, for taking the time to read and sign all the notes and forms that have come home, and for reading with your child and helping them learn. And last but not least, thank you for loving your children.

I would also like to wish everyone a peaceful and relaxing Term break. The two-week holiday is an ideal opportunity for students to recharge their batteries, catch up with friends and families and reflect on what they have achieved so far and start planning for Term 4. During this term staff have concentrated on developing a 'Learning Culture' in our students. We have emphasized the importance of students accepting responsibility for their learning. We have emphasized the need for staff and students to work together as learning partners. Staff have worked diligently in assisting students achieve to the best of their abilities and have been busy with a lot of events and assemblies.

TERM 3 was surely packed with many activities such as NAIDOC Week, Grandparents & Multicultural Day, Book Week, Faction Carnival, Interschool Athletics Carnival, Father's Day Breakfast, High school & Primary Parent night, Excursions, Cross Country, Year 5 & Year 6 Camps and the Year 10 Work Experience placements!

We thank all parents for all their support and the school staff for their commitment and dedication.

We are blest to have a school community that prays, shares and cares for one another...
